

### Peewee Picture Day Schedule

\*Please have all players arrive 20 minutes before your scheduled time. Everyone will be individually photographed for the team composite picture (even if the parents are not purchasing pictures). Players must wear the provided uniform for picture (jersey, black shorts, and black socks).

If getting individual pictures done, players must bring their own soccer ball.

Parents are highly encouraged to purchase pictures online prior to picture day. They should print out their confirmation page. If they don't, they need to have the confirmation number handy on picture day.

Peewee teams will play their scheduled game following the conclusion of having their individual and team pictures done (games will not follow the typical schedule this day as games will start and end earlier than normal)
