

FAQ about Photo Day

1. We can't make our scheduled time/day, can we come another day? YES! We have "open make up slots" listed on specific schedules (Saturday morning and Monday evening) that you can attend during those times. Tuesday's photo night is very full of the number of teams and advise families to avoid that night if at all possible.
2. Do I need to sign up for an "Open Make Up Slot"? No, just come during the times listed and we will get you in line to be photographed.
3. Can I bring my kids to one photo day instead of two different days? Yes, but be advised that only the player that is scheduled on that day/night will go during their time. The sibling will have to wait until the "open make up slots" or you can bring them to an "open make up slot" together.
4. We can't make any of the photo days, what can we do? You may call SNAP directly and see if there is an agreeable time/day that your player can be photographed in their studio.
5. Do I have to pre-order? No, SNAP offers a pre-order discount, but you may wait until the galleries are posted to make any purchases you would like.

Please make sure your player(s) come dressed in their uniform shirt, black shorts and black socks.
